Shooters,

Welcome to the 77Th Southern Zone Trap Shoot. We will be shooting from three locations, giving shooters throughout the Southern Zone a great opportunity to compete in the Southern Zone Tournament.

I have appointed the SZTA Delegates and other key personnel at all three sites, the responsibilities to run and coordinate this shoot. I will serve as Tournament Director per the SZTA By-Laws. I will be at the Kentucky site.

The tournament sites are very well known for holding good shoots. This is a great time to meet up with friends and fellow trap shooters and enjoy each other's company.

I would like to expressly thank the Gun Clubs and their State Associations for their dedication and hard work to make this a very successful Southern Zone Tournament.

Sincerely,

Billy Cook

TOURNAMENT RULES

ATA Rules will govern this tournament and all scores will be included in the official ATA records. By entering the tournament events, all shooters agree to accept the official decision and abide by the rules. Violation of any ATA Safety Rules may be cause for disqualification and removal from the grounds. The Management, in conjunction with the Tournament Director and SZTA Delegates, reserves the right to reject any entrant and to modify the program at any time during the shoot.

CLASSIFICATION & QUALIFICATION

All participants must be classified by the Classification Committee **before** they squad. ATA cards must be up to date and scores averaged before classification may be accomplished. The Classification Committee at each site will review scores daily and reserves the right to reclassify any shooter at any time during the shoot. Known ability, previous and current averages will assist in determinations. It is the shooter's responsibility to know the rules and shoot at the correct yardage and in the correct class. Shooters are subject to penalties for shooting in the wrong class or at the wrong yardage no matter how their card is marked.

TARGET REQUIREMENTS

Shooters who do not have a total of 1,000 16-yard targets registered with the ATA in the current and previous year will shoot "B" class or higher at the discretion of the classification committee.

Shooters who do not have a total of 1,000 Doubles targets registered with the ATA in the current and previous year will shoot "B" class or higher at the discretion of the classification committee.

Continued on next page.

Shooters who do not have a total of 1,000 Handicap targets registered with the ATA in the current and previous year will be assigned 3-yard penalty up to 25-yards max or their regular handicap yardage, whichever is greater. Handicap target requirements will be waived for shooters age 70 and over, making them eligible for trophies and monies. Any participant who fails to meet the minimum handicap target requirements as described will be allowed the choice of shooting “Targets Only” from their assigned yardage provided they waive and forfeit all rights to options, purses, added money, and trophies including HOA and HAA trophies.

All targets shot on the first day may be applied toward above target requirements. If target requirement is met, you must immediately return to the Handicap Desk and be re-classified. If requirements are not met, you will remain shooting assigned yardage and/or assigned classification. No targets will be credited for target minimums after preliminary day.

MANAGEMENT

ATA—\$3.00, SZTA—\$2.00 per 100 targets, State Association Fees—varies by state. Only Authorized Vendors may sell items on the Gun Club Grounds. Practice Traps will be available at each site and those sites will publish their costs. All hulls on the ground become the property of the Host Club.

RULES AND REGULATIONS

1) Should you win or tie for high in a class in any 16 yard or doubles or event or earn yardage in any handicap event, it shall be your responsibility to report to the handicap desk and have your yardage increased or classification reviewed. Shooters winning or tying for high in class in events #1, 3, 4 and 6 will be advanced at least one class for the like event. Any shooter whose class or yardage is changed for any reason shall be considered to be notified when the new class or yardage is posted on the bulletin board.

2) Any shooter failing to carry out rule 1 above or who shoots in and incorrect class or from a yardage higher or lower than the assigned by the handicap committee will be subject to disqualification and will not be eligible to share in any money division or be eligible for trophies

CATEGORY SHOOTERS

At all tournaments where All American points will be awarded in any event, shooters may declare only one category (i.e. Lady I or Lady II, Sub-Junior, Junior, Junior Gold, Sub-Veteran, Veteran, or Senior Veteran). Note: Chair shooters are exempt from this rule.

Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship trophy shoot-off/carry-over and has declared a special category at the time of classification, the shooter can fall back to the declared category.

Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group.

Any special category shooter, whose score does not qualify for a trophy in his/her Category, may compete for place, class or yardage group trophies. Once any declaration has been made either by a shooter or shoot management the declaration is final and can not be changed. There shall be no exception to this rule.

3) All Lady I & Lady II, Sub - Juniors, Juniors, Junior Gold, Sub-Veterans, Veterans, And Senior - Vets must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy for the duration after firing his/her first shot.

4) Each shooter who is entitled to receive money won during any event agrees that if such money is not received by him during the period of this tournament, a check in payment for money won may be mailed to him at the address indicated by ATA records, and when so mailed, the club will not be liable in any manor whatsoever for any check lost, stolen, unclaimed or otherwise not received by the shooter.

5) Management will not be responsible for errors in scores after the options have been posted. Shooters should use the score board to check their scores to notify shoot management immediately if a discrepancy is noticed. **SCORES BECOME FINAL 1 HOUR AFTER THE CONCLUSION OF THE EVENT.**
